Bilješke

Notes

Uredničke napomene

- Film je završen i premijerno prikazan u 2017. godini – na filmskom festivalu, u kinu ili na televiziji, osim ako nije naglašeno drugačije.
- Film je u boji, osim ako nije naglašeno suprotno.
- Film ima ton, osim ako nije naglašeno suprotno.
- Imena glumaca u filmu urednički su odabrana, ali uvijek obuhvaćaju glavne uloge.
- Festivali i nagrade uglavnom su urednički odabir te se odnose na 2017. godinu, uz nekoliko iznimaka. Ažurirani popis nagrada nalazi se u *online* katalogu hrvatskog filma na mrežnim stranicama HAVC-a.
- Filmovi u katalogu također su uglavnom urednički odabrani. Nastojali smo uvrstiti profesionalne produkcije iz 2017. godine i studentske filmove koji su prikazani u redovnoj kinodistribuciji ili na relevantnim filmskim festivalima u zemlji i inozemstvu. Neke smo filmove zasigurno i slučajno izostavili – nadamo se da ćete nas upozoriti na sve eventualne propuste kako bismo ih ispravili.

Editor's Notes

- The films were finished and screened in 2017 – at a film festival, in the cinema or on TV, unless stated otherwise.
- Unless stated otherwise, the films are in colour.
- Unless stated otherwise, the films have sound.
- The editor selects the cast, and the leading actors are always mentioned.
- Festivals and awards are mostly from 2017, and in most cases are selected by the editor.
- The films in the catalogue are also mostly the editors' choice. We tried to include all professional productions from 2017 and student films that were distributed in cinemas or screened at notable festivals in Croatia or abroad. We may have unintentionally overlooked some films, in which case we hope to hear from the authors.

UVODNIK

Godina 2017. bila je jedna od najturbulentnijih u povijesti hrvatskog filma. Pritisci na kinematografiju nikad nisu bili veći – no ona je ne samo ustrajala nego je na već poslovični način mišiće pokazivala onim radi čega i postoji – kvalitetnim filmovima. Raznolika u žanru, bogata u motivima, jedinstvena u nepristajanju na kompromise, domaća je filmska produkcija u 2017. predstavljala upravo onaj dio Europske unije koji je često bio predmetom i brojnih vijesti. Kao najbolji ambasadori Republike Hrvatske, filmovi su našu zemlju najčešće prikazivali lišenu bilo kakve koprene. Ogoljena i sirova, umotana u specifični filmski jezik, dopirala je svojom univerzalnošću do brojne filmske publike diljem svijeta. Suverena u dominantnom umjetničkom trendu a opet vječno okljaštrena kroničnim nedostatkom financijskih sredstava, filmska je industrija u Hrvatskoj uspjela očuvati i smjer i brzinu kretanja. Prometni se znakovi poštuju – vrijeme je za višu brzinu.

Daniel Rafaelić, ravnatelj

INTRODUCTION

The year 2017 was one of the most turbulent in the history of Croatian film. The cinema was under a great amount of pressure, which only made it persevere and flex its muscles by producing high quality films. Diverse in genre, abundant in motifs, and unique in its uncompromising stance, the national film production of 2017 represented the side of the European Union often featured in the news. As the best ambassadors of Croatia, films have mostly shown our country unveiled. Bare and raw, shaped by its specific film language, it has reached a wide global audience with its universality. Confidently treading the predominant art trends, but with a chronic lack of funds, Croatian film industry has managed to retain its course and velocity. Traffic signs are being observed – the time has come to shift to a higher gear.

Vedra priča o snazi sestrinstva u maniri bolivudskih filmova, ali na uličicama Trsta. Indijka Kamala upravo se s obitelji doselila u zgradu u kojoj stanuju imigranti, ali i stari talijanski učitelj koji ih optužuje da jedu mačke iz susjedstva. Prijeti im deložacija, a žene iz imigrantskih obitelji zajednički se bore da spase svoj dom. ▪ Set in the back streets of Trieste, this feel-good, Bollywood-like film highlights the power of sisterhood. Young Indian immigrant Kamala and her parents have just moved into a tenement with other immigrant families – and an old Italian teacher who accuses them of eating local cats. As an eviction notice looms, different women of each family fight together to save their home.

Egzorcizam Exorcism

Maša Artuković mlada je djevojka za koju se sumnja da bi mogla biti opsjednuta sotonom. Njezina sestra Vera, ogrezla u religijski fanatizam, uvjerena je kako je može spasiti jedino egzorcizam. Mašin slučaj na jednom mjestu okuplja svećenika posrnulog u vjeri, psihijatricu, novinarku i snimatelja. Podrum sestara Artuković postaje zona obračuna u kojoj se isprepleću stavovi i uvjerenja, a na površinu izlaze mračne tajne. • Maša Artuković is a girl thought to be possessed by the Devil. Her older sister Vera, a religious fanatic, is convinced that exorcism is the only solution. Maša's case gathers a priest of shaken faith, a psychiatrist, a journalist, and a cameraman. The cellar of the Artuković sisters becomes a war zone where the characters' dark secrets come to the surface.

Jesen u provincijskom gradiću, nekoliko godina nakon rata. Jedan od lokalnih stanovnika, zvan Profesor, na neobičan je način počinio samoubojstvo. Dok grad nadlijeću ždralovi, Profesorovi prijatelji i sugrađani pokušavaju svaki na svoj način proniknuti u motive njegova čina, otkrivajući pritom i same sebe. Fragmentirana struktura tvori mozaik u kojem sam grad postaje glavni lik filma. ▪ Autumn in a small provincial town, several years after the war. Film prati kavanske razgovore gostiju kafića tjedan dana prije njegova konačnog zatvaranja. Glavna je tema razgovora odlazak u Njemačku – novi raj na zemlji za pripadnike nekadašnje socijalističke radne klase. • Erna and Dževad are the owners of a pub in the vicinity of a steel mill, a complex that used to be one of the largest of its kind in Eastern Europe. Taking place one week before the pub's official closedown, the film follows a series of conversations between visitors and frequent guests, who discuss the ways of reaching Germany – a new utopia of former socialist workers.

Glasnije od oružja Louder Than Guns

Krajem 80-ih i početkom 90-ih domoljubna glazba igrala je veoma važnu političku ulogu u zemljama bivše Jugoslavije. Tenkovi, bombe i automatske puške bili su oružja u Domovinskom ratu. Ipak, najglasnije su bile pjesme. Jedni su u njima opisivali košmar u kojem su se našli, a drugi su potvrđivali svoju političku lojalnost. Nacionalna radiotelevizija intenzivno ih je naručivala, financirala i emitirala. I dvadeset godina nakon završetka rata njegov *soundtrack* još uvijek izaziva pozornost i budi emocije. • In the late 1980s and early 1990s, patriotic music played an important role in the political changes in all former Yugoslavian countries. Tanks, bombs, assault rifles – they were all weapons used in the Croatian War of Independence. However, music was the loudest. Some used it to describe the nightmare around them, others to express their political loyalty. The national radiotelevision commissioned, financed and aired it intensively. Some twenty years later, the wartime soundtrack still triggers emotions.

Dragoslava ima četiri televizora, tri unuka, dvije najbolje prijateljice i muža s kojim se bori za daljinski upravljač. Živjela je u pet zemalja a da se nije maknula iz svog stana u malom pograničnom gradu. Mediji i politika uvukli su se u obiteljsku intimu, a ona o tome promišlja s humorom i čvrstinom. • Dragoslava has four tv sets, three grandchildren, two best friends, and a husband with whom she fights over the remote control. Moj život bez zraka My Life Without Air

Goran je svjetski rekorder u ronjenju na dah, čovjek čiji se najvažniji životni trenuci događaju onda kada pod vodom, snagom volje nadilazi vlastitu ljudskost. Kako bi i ostao najbolji on svakodnevno ispituje vlastite granice, riskirajući da ih prijeđe i zato bude nepovratno kažnjen. *Moj život bez zraka* prenosi osjećaj koji imamo kad zaronimo u plavetnilo – onaj kompleksan spoj uzbuđenja, straha, neizvjesnosti i moći, prekrivenih zujanjem tišine. ■ Goran is the world champion in free diving – a man whose most important moments in life take place underwater and whose willpower goes beyond his humanity. To remain the best in what he does, every day he challenges his boundaries, risking to cross them and be irreversibly punished. *My Life Without Air* conveys the feeling we have when we take a dive into the blue – the complex mixture of excitement, fear, uncertainty and power accompanied by the buzzing silence.

Sredinom 1950-ih Piazza Ponterosso u središtu Trsta postala je mit i omiljena šoping-destinacija svakog građanina Jugoslavije, a njezin simbol 1970-ih i 1980-ih postale su plave traperice. Tih su godina milijuni Slavena putovali u Trst jednom ili dvaput godišnje, međutim rat na Balkanu sve je prekinuo. Ovaj film predstavlja mozaik duhovitih priča i svjedočanstava s obje strane granice. ▪ In the 1950s, Piazza Ponterosso in Trieste became the favourite shopping destination for every citizen of Yugoslavia, and in the 1970s and 1980s blue jeans became a symbol of this phenomenon. Those were the years millions of Yugoslavs travelled to Trieste a couple of times a year, until the Balkan war put an end to it. This film is a mosaic of funny stories from both sides of the border.

Dragan Petrović, Rom iz malog sela na Balkanu, nekad je trgovao konjima, a onda je zamijenio konja za tamburu. Amateri ili izgubljena nevinost • Amateri or the Lost Innocents

Iscrpljena kiborška vJ-ica posjećuje napušten grad na dalmatinskoj obali, prateći glasine o sakrivenim i zaboravljenim vhs-kazetama – jedinoj vrsti filmova koje ova videofilka može gledati, s obzirom na to da joj je istekla licenca za prostetičke oči. Po dolasku otkriva da je GPS grada izvitoperen, te karte nemaju smisla. Počinje sumnjati kako je nepoznate sile vuku prema jednom mjestu. • A jaded cyborg vJ visits an abandoned city on the Dalmatian coast following rumours of a stash of forgotten vhs tapes – the only kind of films this videophile can watch since the license for her prosthetic eyes expired. On arrival, she finds that the GPS of the city has become warped and the maps no longer make sense. She begins to suspect she is being guided towards a certain place by unknown forces.

Rano u zoru, prije izlaska sunca, plaža postaje poprište susreta dvaju suprotnih svjetova. Vraćajući se iz noćnog života, njome prolaze brojne grupe mladih na putu kući. Istovremeno, na plažu polako dolaze stariji ljudi, čiji dan tek počinje. • In summer, just before sunrise, Split's most popular city beach becomes a meeting place of two opposite worlds. Pijana ulica A Drunken Alley

Jedrarska ulica – poznata kao Pijana ulica – mala je, neugledna i neprimjetna ulica u strogom centru Rijeke. Tu se okupljaju odvjetnici, ribari, kulturnjaci, stari Fiumani, alkoholičari i djeca. Ona je sukus prikrivenog mediteranskog duha Rijeke – žive energije, jakih emocija, velikih kontrasta sabijenih u uskom prostoru iz nekih drugih vremena. ▪ Jedrarska Street (also known as Drunken Alley) is a small, unattractive, almost invisible alley in the very centre of Rijeka. Lawyers, fishermen, cultural workers, old local Italians, alcoholics, and children alike all gather here. Neposlušne Rebel Girls

Društvo nam oduvijek objašnjava što trebamo raditi, čime se baviti, kako se osjećati, kako izgledati. Trebamo li baš sve poslušati? Otok Island

Na Zemlji postoji samo prolazan užitek. Kada je riječ o trajnoj sreći, sumnjam da je itko poznaje. Otok je mjesto postojanosti boja, zvukova, horizonta, mirisa. Osoba se stapa s otokom te otok raste u njoj i tako se rađa kontinuitet zajedničke ispunjenosti. • On Earth, there is only passing joy. I doubt anyone knows lasting happiness. The island is a place of enduring colours, sounds, smells, and horizon. The person merges with the island, and the island grows within them, giving birth to a continuity of mutual fulfilment.

Protoplazma Protoplasm

Protoplazma je živa tvar stanice. Ona je tekuća osnova života, unutarnji organizam s mislima i osjećajima. Sve pulsira, širi se i skuplja. Ponekad istovremeno sežemo prema van i skupljamo se, zbog čega nastaje konflikt koji sprečava tekućine da se pokreću. Nastaju strah i tjeskoba, te postajemo nepokretni. • Protoplasm is the living substance of cells. It is the liquid foundation of life, the inner organism with thoughts and feelings. “Stranac” u mojoj glavi “The Stranger” In My Head

Film je autoričin pokušaj rekonstrukcije Camuseva *Stranca*, romana koji je čitala prije dvanaest godina. Treći zakon Third Law

U bezimenom gradu nastanjenom bezličnim stanovnicima koje pokreće strana, podmukla energija, odvija se kružni ekvinocij dana i noći. U ritmičnim mijenama zanosa i tuposti, beskonačan ciklus neonskih reklama određuje sve postupke građana i kreira njihovu paradoksalnu i autoreferencijalnu stvarnost. ▪ In a nameless city populated by amorphous residents driven by an insidious alien energy, a revolving equinox of night and day takes place. Oda mladosti Ode to Youth

Film prati 75-godišnju balerinu. Priča je to o ljubavi i prolaznosti vremena. Dok vrijeme ostavlja ožiljke na našim licima i mijenja nas, ljubav se ne mora mijenjati; ona živi i ostaje mlada u našim navikama, užicima, sjećanju. ▪ Film about a 75-year-old ballerina. It is a story about love and the transience of life. While time leaves marks on our faces and changes us, love doesn't have to change at all; it lives and stays young in our habits, pleasures, and memories.

Partenza

Početkom 20. stoljeća muškarci s hrvatskih otoka odlazili su zbog neimaštine i gladi u države Južne Amerike. Film je inspiriran današnjim tragedijama migranata na moru, a povezuje dvije iseljeničke priče: hrvatsku s početka prošlog stoljeća i suvremenu afričko-azijsku tragediju. ▪ At the beginning of the 20th century, men from Croatian islands frequently migrated to South America, escaping hunger and looking for a better life. *Partenza* (Italian for "departure") was inspired by the tragedy of the present-day African and Asian immigrants at sea, comparing their story with the one of Croatian immigrants from a century ago.

Koja je priča istinita, na koji bismo način trebali sagledati svijet oko sebe? U filmu *Periferija* propitivanje vlastitog razmišljanja i perspektive ulazi u igru s neograničenim brojem priča, činjenica i misli koje budi jedna sasvim svakodnevna stvar poput suncokreta. » Which story is true and how are we supposed to perceive the world around us? In *Periphery*, challenging one's own ideas and points of view is juxtaposed to a limitless number of stories, facts, and thoughts, provoked by an ordinary everyday thing like a sunflower.

Za nas misao uvijek pretpostavlja jedno društvo, jednu kulturu i, nadasve, svijest o vremenu. Film putuje oko žarulje kao Zemlja oko Sunca. Svjetlo čini film vidljivim. U orbiti tragedije filma i naše zbilje, slika se odupire okrutnosti eksperimenta. • For us, a thought always presupposes a society, a culture, and, above all, the consciousness of time. The film revolves around a light bulb like the Earth around the Sun. Light makes the film visible. In the orbit of the film tragedy and our reality, the image resists the cruelty of the experiment.
